

Subject: Join me in Kicking Cancer to the Curb - Kickin' Cancer! Fundraiser

Hi [Recipient's Name],

I hope you're doing well and ready for some exciting news! I'm super pumped to be participating in the Kickin' Cancer! 5K event organized by the Lynne Cohen Foundation on **Sunday, October 20th**. This event raises funds for Lynne Cohen Foundation Preventive Care Clinics, which provide critical preventive care for uninsured underserved women at increased risk of breast and ovarian cancer.

Here's the deal — I'm not just running to boost my own fitness and well-being. I want to make a real impact in the lives of others, and I need your help to reach my fundraising goal. The money we raise through this campaign goes straight to supporting uninsured women by providing essential preventive care like mammograms, genetic testing, counseling, and more.

I'm reaching out to you because I know you care about making a difference. Your support, no matter the amount, will go a long way in providing hope, support, and lifesaving preventive care to those who need it most. Together, we can empower underserved women and fight against breast and ovarian cancer.

To donate, simply visit my personal fundraising page at **[insert your personal fundraising page URL]**.

It's quick, secure, and any contribution means the world to me and the women we're helping. Even if you can't donate right now, you can still make a difference by sharing this letter with your friends, family, and colleagues. Let's spread the word and invite others to join us in this mission.

Thank you so much for being a rockstar and supporting this important cause. Let's kick cancer to the curb, one step at a time.

Take care,

[Your Name]
